## Attend the Light (Paperback)

By Steven Donkin

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The summer of 1959: clashing ideologies and pivotal historical events define an America on the verge of social upheaval, and they all come together in the stories of ordinary people who find their intertwined lives affected in startling and dramatic ways by events around them. The country is in the midst of an international Cold War, while domestically longstanding racial tensions are broiling in concert with a burgeoning civil rights movement. At the center is Simon Flemsoe, a former Hollywood screenwriter who now lies dying in a South Carolina nursing home, mentally revisiting his past and longing to come to terms with his lifetime of dissatisfaction and outright failure, particularly regarding his relationship with his estranged family and his previous efforts to effect political change through the movies. Meanwhile, Simon's daughter, Martha, is coping with the mysterious disappearance of her runaway daughter, missing this past year, and his son, Manfred, struggles to help his sister while putting his own family at risk by becoming involved in a union organizing effort. In Washington, D.C., Simon's radical former screenwriter friend, Gene Farnsworth, attempts to build a movement...

### Reviews

*A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.*

-- Mr. Carol Bergnaum IV

*This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.*

-- Bernadine Powlowski
